# Special Digging Report

April 26, 1956

Partial digging of these items has developed an over-run.

This is a surprise to us for we have declined many orders believing the stock already sold too close to our fall estimates.

Estimated

1000	Upright Yew from seed, sheared	X, 8-12 in.
1000	Densiformis Yew	X, 6-8 in.
1000	White Birch	XX, 3-4 ft.

65.00 MAY 3 - 1956  
40.00 Department of Forestry  
75.00

Likewise we have an over-run in other items listed earlier this week; again we mention

COLORADO BLUE and BLACK HILLS SPRUCE SEEDLINGS and TRANSPLANTS

A good supply of the neatest stock we've had
